FETAC level 6: Film and Television Production. Kinsale College 2018-2019

BA: English and Film Studies, UCD, 2011-2014

INTERESTS & SKILLS

Social media content creation and podcasting - Creating and editing together podcasts on film and sport for YouTube and Spotify, as well as creating viral content on sites such as Reddit and Facebook.

I also have experience managing online profiles for local businesses and creating content for them (photos/ad pages etc), which has familiarised me with the modern means of content distribution and media production.
